Highlights

Hoco #Throwco

Irish homecoming took place October 18th. With a 1 pm kickoff against UCC on our back field, the Irish vowed to fill the hill. St. Patrick's celebrated in style with green, blue, and gold as far as the eye could see.

This years homecoming theme was, "#Throwco." Inspired by homecomings of the past and celebrating the alumni of St.Patrick's. The pep rally started off with a bang as the football team entered to thunderous applause. Then student council debuted a very special show. Following the story of two grade nine students who know nothing about homecoming, Noah and Jillian are given a magic yearbook that launches them into the past. Throughout their time traveling escapades, they meet Irish cheerleaders, staff, and football players who explain to them the true meaning of homecoming.

Every Child Matters

September 30th, St.Patrick's became orange for a day as students wore orange shirts to acknowledge the tragedies that took place in the residential school system implemented by

the Canadian government to assimilate Indigenous children to Canadian culture. A special broadcast was held by the Indigenous Student Leadership Club during second period featuring guest speakers and documentaries highlighting the experiences of local Indigenous peoples who were taken as children.
