March 21, 2020

Dear Parents/Guardians,

I want to update you on the new web portal established by the Ontario government, to help students continue to learn while schools are shut down, due to the COVID-19 pandemic.

The new portal, launched yesterday by the Ontario Ministry of Education, is called *Learn At Home*. You can find it at <https://www.ontario.ca/page/learn-at-home> and on our website at www.st-clair.net You can expect to hear from your child's school in the very near future.

As a reminder, all schools currently remain closed until April 5. If the Ontario government announces an extension to the shut down, we will notify you immediately.

Please continue to follow the advice of the governments of Ontario and Canada and our public health professionals, as we all do our part to limit the spread of the COVID-19 virus.

Sincerely,
Deb Crawford
Director of Education
