Gregory A. Hogan Catholic School Celebrates Opening and Blessing

A special liturgy was recently held at Gregory A. Hogan Catholic School in Sarnia to celebrate the upgrades and renovations to the school, including a six classroom addition, a newly refurbished north wing, upgraded library, four updated junior kindergarten rooms with their own playground and parking lot upgrades.

“We give thanks to God for this beautiful new school,” says Dan Parr, Director of Education for the St. Clair Catholic District School Board. “Our board is proud of the excellent learning that takes place at Gregory A. Hogan Catholic School and so we are pleased to make this significant investment on behalf of our students and their families and our staff.”

The opening and blessing assembly was attended by the entire school, along with representatives of the parent community, Director of Education Dan Parr and Trustee Linda Ward.

Father Festus Komolafe of the Sacred Heart parish led the celebration, with the assistance of students in Mrs. Liz Bujaki’s Grade 4-5 class.

“The transformation is amazing,” says Elena Pagotto, Principal of Gregory A. Hogan Catholic School. “Our students and families and our staff are very proud of our attractive new building.”
