

kinderSTART

Kindergarten Registration

kinderSTART is a special one day event held in each of our school communities for parents to register their children for Kindergarten. It's also a great opportunity for parents and children to learn more about school together!

The program is offered in partnership with the St. Clair Catholic District School Board and our Best Start community service partners. Through **kinderSTART** children and parents have an early opportunity to visit the school and meet staff in preparation for Full Day Kindergarten in the fall of 2015.

We also welcome all younger siblings (18 months – 3 years) to attend. Our community partners are there to offer lots of helpful information about getting ready for school, such as ages and stages growth development, good nutrition and healthy living tips and immunization. It's a fun and informative event for the whole family! See you there!
