Early Years Experiences at Kindergarten 2017-18

Report Snapshot Date - 30-Nov-2017

Licensed Child Care Facilities Reference List - SCCDSB District

The following are the licensed child care facilities reference list which provides location data for all active and inactive licensed child care centres and licensed home child care agencies within Ontario. Please note that there are some missing values in the attached list, which the ministry is currently working to address. The child care facilities list will be updated regularly and made available to school boards.
