DIRECTOR'S ANNUAL REPORT – 2016 IS PRESENTED TO ST. CLAIR CATHOLIC BOARD OF TRUSTEES

Director of Education Dan Parr tonight presented to the Board of Trustees his *Director's Annual Report – 2016*.

"I am pleased to present this report to the Board, parents, staff and the entire community of the St. Clair Catholic district," says Mr. Parr. "And I am particularly pleased to report that as a Board we have achieved or exceeded in most of the targets we set for ourselves in 2015-2016."

The report card-style document lists the Board's strategic priorities, goals, desired results and targets for the 2015-2016 school year. It also clearly identifies whether those targets were achieved, exceeded or, goals were not met.

Mr. Parr pointed out to Trustees that overall, progress has been good.

"I am grateful for the hard work and commitment of our staff," says Mr. Parr. "Without their dedication, we could never have achieved such a high degree of success."

Section 283(3) of the education act requires the Director of Education to submit annually to the Board of Trustees and to the Minister of Education a report on the Board's activities. The 2016 report of the St. Clair Catholic District School Board focuses on the three pillars of the strategic plan – living our faith; promoting educational achievement and innovation; and fostering stewardship, leadership and social justice

The full report will now be forwarded to the Ministry of Education and posted to the Board website. Copies will also be printed and distributed to all families and parish partners.
