School Bus Drivers Needed to Service Chatham-Kent Lambton  
Administrative School Services (CLASS) Local School Bus Operators

*Chatham-Kent And Sarnia-Lambton School Bus Operators are Hiring for September 2018!*

Approximately 19,000 local students rely on school bus transportation each day across our district. School bus drivers play an important role in the academic success of students by getting them safely to and from school on time.

There is a current need for school bus drivers in the Chatham-Kent and Sarnia Lambton areas to serve the students from the St. Clair Catholic and Lambton Kent District School Boards. Local bus operators are seeking motivated individuals who are capable, cheerful, and ready to make a difference in the lives of children to apply for this rewarding employment opportunity.

Applicants do not need any previous training; all training is provided. Prospective drivers must be at least 21 years of age; able to pass all background checks and drug screens; have at least three years of driving experience; and possess a valid driver's license. Drivers work a flexible, set schedule with nights, weekends and holidays off.
