CATHOLIC EDUCATION: ‘LIVING AS JOYFUL DISCIPLES’ IS THE THEME FOR CATHOLIC EDUCATION WEEK 2019

The theme for Catholic Education Week 2019, which will be celebrated from May 5 to 10, is *Living as Joyful Disciples*. The St. Clair Catholic District School Board will join with other Catholic school boards across the province to celebrate the significant contribution that Catholic education has made in our communities, the province and to Canada.

The 2019 CEW theme was inspired by three sources: *Renewing The Promise*, the Pastoral Letter on Catholic Education from the Bishops of Ontario; *Gaudete et exsultate*, the Apostolic Exhortation of Pope Francis on the Call to Holiness; and *Young People, the Faith and Vocational Discernment*, the October 2018 Synod of Bishops.

The theme and sub-themes are directed to our students, especially their growth in holiness and their formation as disciples of Christ.

There are five sub-themes:

- **Day 1:** Rooted in Prayer
- **Day 2:** Living in Community
- **Day 3:** Doing Justice & Creating Hope
- **Day 4:** Journeying Together in Faith
- **Day 5:** Sharing the Good News

“Each year, Catholic Education Week offers an opportunity to reflect on the importance of Catholic education in our schools and in each of the communities we serve,” says Deb Crawford, Director of Education. “Through the Ontario Catholic Graduate Expectations, our students become faith-filled responsible citizens and life-long learners, who give back to our communities in countless ways.”

Special activities are planned at each of our schools to mark Catholic Education Week. Some activities celebrate our faith; some focus on learning excellence through literacy and numeracy events, technology and celebrations of the arts; and others demonstrate our commitment to service through acts of charity. Attached to this email, please find a list of just a few of the events that have been planned in some of our schools.

Please contact the school principal to arrange a visit.
