QUESTIONS AND ANSWERS

1. QUESTION: *Will the Architect be required to provide information on the sub-consultants they wish to use for this assignment or is this RFQ strictly for the Architectural Firm's Qualifications only?*

ANSWER: The RFQ is strictly for the Architectural Firm's Qualifications only.

2. QUESTION: *If sub-consultants are required to be included at this time, will the Architect be responsible for retaining a cost consultant to provide estimates for Ministry of Education approvals? or, Has the board already retained the services of this consultant through a separate RFP process?*

ANSWER: The Architect will NOT be responsible for retaining a cost consultant to provide estimates for the Ministry of Education approvals. St. Clair Catholic District School Board will retain a cost consultant under a separate RFP process scheduled to be issued in early April, 2012.

3. QUESTION: *Will the Board be retaining a cost consultant, independent of this RFQ or will you be asking the bid teams to include an independent cost consultant?*
