

MAC Safari Browser Setting Instructions

A. Check your  Safari Internet browser setting:

You require version 7 or 8 to work with School Cash Online

B. Please update your Microsoft Windows Explorer as follows:

1. Click the apple (upper left hand corner)
2. Click Software update (it will then check for new updates)
3. Click show details
4. Click box next to Safari
5. Click install

You will have to restart the computer for the update to take place.

If this doesn't bring you to the newest version, it means your OS X is not the newest version. You will have to update this version in order to update to the newest Safari version. You can do these updates at the following link.
