

LEADER APPLICATION INFORMATION SHEET

****PLEASE READ CAREFULLY (2 PAGES)****

Muskoka Woods Irish Experience is a school community building and leadership training program.

Is this Irish Experience for you?

- Muskoka Woods Irish Experience is open to students in grades 10, 11, 12 and 12X during the 2018 - 2019 school year.

The Muskoka Woods Irish Experience leadership program grants you the opportunity to explore your leadership potential while developing the potential of grade 7 students within our elementary school community. As a leader, you will be expected to volunteer your time throughout the year - during and after school hours. This is a year-long commitment to each other, our school community, and the experience.

The mission of this program is to create an opportunity for you to recognize and develop your abilities as leaders through new challenges and experiences. At the same time, you will provide an equally challenging experience for our elementary students. Your task is to lead by example, encourage risk-taking, and create a positive environment that fosters healthy self-esteem.

Our ultimate goal is for you to further facilitate the development of a healthy and safe school culture, where all are respected and nurtured.
