

Dear Parents;

We are pleased to announce that the Best Start Wrap Program is currently being offered at St. Clair Catholic District School Board schools for JK/SK children to have the opportunity to attend school five days per week.

The goal of Best Start is to provide an integrated approach to learning with quality education and quality child care. As you are aware, there is a charge for child care. However, the municipality does provide assistance for families who are in need of child care and qualify for fee subsidy.

**Please review the following criteria to determine if you qualify for fee subsidies:**

- Parents/guardians work
- Parents/guardians attend school or training

Kindly call 519-344-2062 Ext. 2201 in Sarnia-Lambton and 519-351-1228 Ext. 2131 and 2132 in Chatham-Kent to discuss your family's possible qualifications for the subsidy.

In addition, for JK/SK students who are eligible for school bus transportation, it is available from your home to school and school to home five days per week.

All children would definitely benefit from this program and we encourage you to inquire to see if your family qualifies for assistance.

We warmly welcome your JK/SK child to our St. Clair Catholic District School Board Wrap Schools five days per week to be part of the Best Start Wrap Program and the Full Day Early Learning Program.
