

CEREMONY HELD TO DEDICATE NEW GYM FLOOR AT URSULINE COLLEGE

A brand new hardwood gym floor at Ursuline College was dedicated during a brief ceremony at the school recently.

“We have a lot of people to thank for this beautiful new professional playing surface,” says Gerri Brown, Principal of Ursuline College.

“First I’d like to thank our Board of Trustees, senior administration, including Paul Wubben our Director of Education, Jim McKenzie, Associate Director and Bruce Hannah, Manager of Facility Services. I’d also like to thank our athletic staff for their work on behalf of this project. The new floor is something that all of us at UCC can be proud of!”

Anita Labadie, Chair of the Board, also extended her thanks to everyone who was involved in the project.

“We as trustees are pleased and proud to make this investment here at UCC, which is an amazing facility,” she told a gathering of students and parents.

“I also want to take this opportunity to thank you for choosing Catholic education,” said Mrs. Labadie.
