

St. Clair Catholic District School Board

Plan for Improving Accessibility for Students and Staff with Physical and Sensory Disabilities

3. Access to Documents

The Board's School Accommodation Plans are available from the Business Department by request. (519) 627-6762 extension 372.

4. General

The Plant Department follows the principle that any time renovations or work is undertaken, handicap accessibility issues are considered and improvements are included wherever possible. The design of the work always attempts to maximize accessibility.
