Specialist High Skills Major

- UCC – Manufacturing for past 2 years

- Future plans:
  - St. Christopher – Information Technology

  - St. Patrick's - Construction

Other Notable Differences:

Co-operative Education

• UCC is able to offer 1, 2, 3, and 4 credits in co-op – Full & half-day

• St. Patrick's and St. Christopher offer only 1 and 2 credits – half-day due to lower numbers of students

• UCC currently offers a Dual Credit with St. Clair College

• St. Patrick's and St. Christopher have Military co-op available

• Summer co-op (2 credits) was available last year

• Specialized co-op programs have been designed as needs arise

Unique programs

- **P.E.O.P.E.L. Program**
  - Available at St. Patrick's & UCC– Recreation & Fitness Leadership & Peer Tutoring

- **Rhythmic Souls** at UCC
  - Disabled and non-disabled students are paired for dance activities, performing for dance shows, masses, open houses

Others:

- **Magnet Program – 54 students**
- Students travel to each other's schools for credits that are unavailable at their home school
  - St. Patrick's at St. Christopher:
    - Hairstyling, Retail, Cisco, Landscaping

  - St. Christopher at St. Patrick's
    - Manufacturing, Construction, PEOPEL, Women's Studies, 50s and On, Spanish, Italian
    -

- **E-Learning – 3 courses in 08/09**

Other Compulsory Courses:

	UCC	**St. Pat's**	**St. Chris.**
Mathematics	66	43	40
Science	51	37	39
English	66	49	42
Core French	23	11	11

Note: French Immersion is only available at UCC. Religion, Geography, History, Civics, and Sociology are offered in English AND French

In Summary:

Each school makes every effort to provide courses that students want and need to be successful in their future pathway, but the choices must be based on:

- The unique characteristics of the community

- Constraints of the existing facility

- Numbers of students available

- Availability of a skilled teacher for that program
