## OUR APRIL

AT A GLANCE...

The Irish hosted many enthralling events this April! This month St. Patrick's held a Decades Dance, Easter Mass, and Lent Confessions just to name a few! The Irish raised their voices against education reforms, prepared vigourously for Muskoka Woods, and got to check out some amazing books at our Book Fair! We have many amazing things in store for May, but first let's reflect on all the fantastic things we did in April!

## EASTER MASS

Many happy Easter blessings occurred during the Irish Lenten journey! Hopefully everyone had a safe and fun Easter. The Irish hosted Lent Confessions on April 4th to renew our hearts in preparation for Jesus' resurrection. The Irish will rejoice and praise together as a family on April 25th. May we enter this rebirth of spirit and use it to our fullest advantage to carry out God's word and to be a light within the rest of the community as always.

## ST. PAT'S SAYS NO

St. Patrick's stood up to changes within the education system on April 4th, and did so with class and sophistication. The spirit of St. Pat's was prominent as we stood hand-in-hand with community members to show our appreciation for schools, the staff within them, and the impact they have on all of us. An organized group led by Niamh Ellwood marched down to Michigan and Murphy Rd. in a unified group. Their passion and dedication was recognized Lambton-wide.

## SCHOLASTIC BOOK FAIR

On April 11th and 12th, we hosted the Scholastic Book Fair! This fantastic event is always well-received within the school! St. Patrick's has been working hard to incorporate more literature within classes, and this book fair provides students with the opportunity to find stories they love at a price that they can afford! And if you aren't a bookworm, well, there was still fun widgets and even a giant stuffed bear that could be won!

## YMCA CELEBRATION OF YOUTH

The YMCA opens up scholarship opportunities for outstanding youth within the community each year with their "Celebration of Youth" program. These scholarships showcase the amazing students we have at St. Patrick's with students receiving the Philanthropy Award, Social Justice Award, Creativity Award, Arts & Culture Award, and YMCA Celebration of Youth Committee Award! These outstanding souls are just some of the shining stars we have at St. Pat's!

## TRACK & FIELD AND SPRING SPORTS

There are many spring sports that have started up! Rugby, Soccer, Badminton, and of course Track and Field! Each year, St. Pat's dominates the fields and shows what hard work, dedication, and brilliant coaches can do! The Irish will have their first Track and Field meet this upcoming April 27th and are sure to make the school proud! Best of luck to all the amazing spring sports teams as they showcase our amazing athletes and teamwork!

"I AM THE RESURRECTION AND THE LIFE. THE ONE WHO BELIEVES IN ME WILL LIVE, EVEN THOUGH THEY DIE; AND WHOEVER LIVES BY BELIEVING IN ME WILL NEVER DIE. DO YOU BELIEVE THIS?"
