OUR JANUARY

AT A GLANCE...

Students came back from the Christmas break ready to get down to business. Time flew by us as the Irish family prepared itself for Exams. Staff and student body alike have been hard at work, but remembered to still have some play as well! With the ever-popular Coco & Cram, art shows, and sport successes, no amount of exams could get us down! January went by quickly. So fast you might blink and miss it! Though, the Irish have still been working hard to bring forth spirit at this time. With that in mind, let's review our speedy January!

COCO & CRAM

Did someone say marshmallows? St. Patrick's Link Crew has put together another successful Coco & Cram. This event took place on January 17 in the Library and provided Grade 9's with senior Tutors and Hot Chocolate completely free of cost! There was plenty of laughs and lots of studying, a fantastic opportunity for both the Grade 9's and Link Crew alike. It certainly eased some stress as we approached exams!

SPORTS

St. Patrick's has dominated sports in the last few weeks! We saw massive success in the wrestling tournament we hosted just a few weeks ago! Not to mention our swim team placing FIRST in every category at LKSSAA the other week! Many sports will be finishing up as we roll out the carpet for Spring sports, but The Irish are certainly making their mark and finishing strong as other sports finish up! We cannot wait to see the Irish take first again! Our coaches work tirelessly to create the well-oiled teams, and our teams value teamwork and the end goal of having fun.

Art Show

While January flew by, the Grade 12 senior art class banded together to create a beautiful display of art! The show was put on January 17 and featured many art styles and themes. The show was very well received by staff, students, and families! Many visitors had the chance to view pieces that spoke about mental health, saving our environment, and female empowerment, just to name a few. The Irish family is so very proud of the countless talents that we possess at this school!

"BLESSED IS THE ONE WHO PERSEVERES UNDER TRIAL BECAUSE, HAVING STOOD THE TEST, THAT PERSON WILL RECEIVE THE CROWN OF LIFE THAT THE LORD HAS PROMISED TO THOSE WHO LOVE HIM."
