### Academics

On November 5th, all Grade 10 students were invited to attend Ursuline College's first **Literacy Lunch**. This study event, lead by the Pines' literacy teacher, helps to ease stress and prepare students for writing the Ontario Secondary School Literacy Test (OSSLT). Topics of discussion at Literacy Lunches did and/or will include writing a news report, structuring an essay, answering standardized multiple choice questions, and learning strategies to manage time and stress.

## Athletics

Throughout November, a number of significant athletic events are occurring. Senior Girls Basketball, coached by Ms. Mommersteeg and Ms. Bromley, are entering LKSSAA semi-finals against St. Pat's. The UCC Senior Boys Volleyball team, coached by Mr. Denomy, have won the LKSSAA semi-finals against the St. Patrick Fighting Irish, and won the LKSSAA finals against CKSS Hawks on Friday, November 8th.

Later this month, the following sports will begin:

- Junior Girls Volleyball
- Senior Girls Volleyball
- Boys Hockey

## Clubs

Throughout the week of October 28th, Student Council ran a myriad of Halloween themed school-wide activities. Students could participate in Halloween trivia, guessing the candy in a jar, movie trivia, a scavenger hunt, a door decorating contest, and a costume contest.

Next, representatives from Lancer Link, Student Council, E-Sports, the Music Society, and many more UCC clubs, welcomed grade eight students to UCC on November 6th. Almost 300 grade eight students left excited about the many opportunities that await them in high school!

Lastly, for the 14th year, the UCC We Scare Hunger event occurred on October 31st. Lead by the Me to We club, the outreach campaign typically collects around fifteen thousand cans. This year, the Me to We club expanded their campaign to reach Pain Court, in addition to Chatham, Blenheim, and Wallaceburg.
