## Easter Egg Hunt

The UCC Student Council took it upon themselves to give every student at UCC a chance to win a chocolate bunny! Paper Easter Eggs were hidden under the desk of 1 student in each class. That student would then have to find the chocolate bunny also hidden in the class.

## Happy Easter!

Allelujah! The Lord is Risen! From all the staff and students at UCC, we would like to wish a Happy Easter to everyone!

*Happy Easter!*

## April Break?

Due to Covid-19 restrictions and circumstances, March Break took place in April this year. The staff and students of UCC enjoyed a much needed break on the week of April 12-16. The weather was beautiful over the break, and hopefully the staff and students of UCC will return with the focus they need to get through the final stretch of the year!

## School Progress

Staff and students of UCC finished the third quadmester on April 20th. April 22nd marks the beginning of the fourth quadmester. Hopefully, this will be the final quadmester, and next year we can return back to the 2 semester schedule.

## Back to Online

The fourth (and hopefully final) quadmester will begin online, with the hope of finishing in the classroom. Course materials were handed out to students throughout the week of April 19-23.
