## Black History Month

During the month of February, we honor the contributions of artists and musicians of colour. At UCC, we play a piece of music from the famous musician, or a depiction of the art. This is done over announcements each day, to remember the contributions that they made to make the world a better place. We

listened to music

from musicians such as Louis Armstrong, Aretha Franklin, and Michael Jackson. From all of us at UCC, we remember their contributions, and thank them for their gifts.

## Turn Down the Heat!

On February 4th, UCC student council invited everyone to put on an extra sweater, and turn down the temperature 2 degrees celsius. I am very happy to report that hundreds of students participated, and the Lancers were able to defeat the Irish

## **Pie in the Face!!!**

Online kahoots were held by the UCC student council. The winning class got to choose a very unique prize.

They got to choose a teacher that would get pie thrown in their face. Of course, the chosen one was the principal of UCC, Mr. Power. He had the pleasure of getting many pies thrown at his face by fellow staff members. This was recorded for the enjoyment of the student body.

## **We Are Back!**

Staff and Students of UCC went back to school on Monday February 8th. Due to Covid-19 numbers, new restrictions were put in place to help keep everyone safe.

# Ash Wednesday

Although the staff and students of UCC could not celebrate Ash Wednesday in the typical fashion this year due to Covid-19 restrictions, we still did the best we could to get ashes to every kid. There was a schoolwide prayer service, as well as a unique activity for everyone to receive ashes, albeit in an unconventional way.
