“Not all of us can do great things. But we can do small things with great love.”

– Mother Teresa

Merry Christmas!

From all of us at Ursuline College Chatham, the staff and students would like to wish you a very Merry Christmas. Although we could not celebrate in the typical fashion, we still did the best we could to bring the Christmas Spirit to UCC. On the last week before break, we had a Christmas pajama day, an ugly Christmas sweater day, UCC's original version of find the elf, some Christmas kahoots, and to top off the week, we had a virtual Christmas assembly. UCC's very own Men II Boys performed, and stole the hearts of the audience(as always). Although the Covid Grinch did it's best to ruin Christmas, the staff and students still found a way to spread Christmas cheer.

Amnesty International

Mrs. Dudics grade 12 religion class assisted the Ursuline Sisters in a letter campaign coordinated through Amnesty International. The goal is to write letters to foreign emissaries in hopes of releasing prisoners that have been unjustly imprisoned. They have saved countless lives, and reunited even more families. This truly exemplifies Jesus' teaching of a Preferential Option for the Poor and Vulnerable.

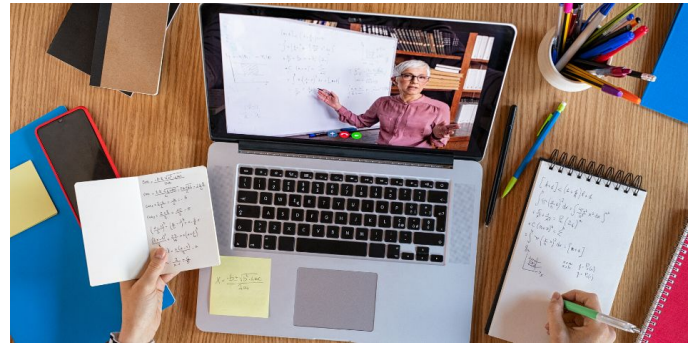

New Challenges

Starting on Monday, January 4th, the staff and students of UCC had to make some adjustments to their

education. All classes are being held online for the foreseeable future. UCC has taken the initiative to reach out to those students that do not have access to a device or stable wifi, and given those students the materials needed for online learning. Besides some technical issues across the province on the first day of classes, things have gone very smoothly. The staff and students are adjusting well to the new system.

Virtual Services

UCC is proud to offer some virtual services to the staff and students of UCC. Currently, the UCC virtual library, as well as the UCC virtual chapel, are up and running!
