Hosted by Mr. Phaneuf, UCC will be holding its very first Rock, Paper, Scissors Covid Cup. The hope is that this will be the first and only Covid Cup to be held. The rules are as follows; starting with Mr. Phaneuf's class, they will challenge another grade 12 class. The winners will then challenge another grade 12 class, until there are no classes left. There is no prize for the winning class, other than bragging rights, as well as the highly coveted Covid Cup. This will be done safely, following and necessary Covid and safety procedures.

## Stations Of The Cross

UCC is putting together a unique, Covid-19 friendly performance of the Stations of the Cross on March 30-31. In normal times, this would be performed in the theatre by a drama class. This year, the first station will take place inside the classroom with a video, take the students outside around the school for stations 2-13, and finish inside the classroom on the 14 station.

## Spirit Week

Since the week of March 15-19 was supposed to be March Break, the UCC Student Council decided to spice things up with a spirit week. Monday was Haiwiaan Day, Wednesday was St. Patrick's day, and Thursday and Friday were bonus Dress Down Days.

## School Progress

UCC students are doing their best to adjust to the new Covid-19 safety procedures. One of the things they are finding to be a challenge is not being able to take off their masks when going outside. Other than that, students are happy to be back in school. Mid term reports went home a couple weeks ago, and the next quad is only four weeks away!

# Lancer Vision

Lancer vision has finally returned to UCC. Set up and produced by Deacon Girard's class, Lancer Vision aims to keep the students up to date on everything happening in the school, in a creative and entertaining way.
