BACKGROUND:

A report was provided to the Board of Trustees on February 15, 2022 outlining the Board’s original plan for 2022-2023 Temporary Accommodation for Students. After analyzing the Board’s projected enrolment and assessing construction timelines, this report provides an update for information. No additional portables will be procured at this time. Instead, the Board will be utilizing existing portables to address enrolment pressures at St. Anne Blenheim and St. John Fisher. Two portables, one from St. Philip and St. Anne Sarnia will be moved as soon as possible. Additionally, to ensure optimal and safe learning conditions for Sacred Heart Port Lambton during construction, two portables will be temporarily moved to the site this August 2022 from Gregory A.
