Subject: **Trustee Membership on Board Committees – 2023**

Background

In order to conduct the business of the Board, Trustees sit as members on a variety of committees. Each year at the Board's organizational meeting for the coming year, Trustees are asked to indicate their committee preferences to the Secretary of the Board. Upon receipt of those preferences, committee membership is determined.

As certain committees are mandated by provincial statute or regulation, the appointment of Trustee committee membership requires approval of the Board of Trustees.

Committee membership for 2023 is set out in Appendix A, which is attached.
