

Date: **October 24, 2023**  
Prepared by: **Chris Kehoe, Superintendent of Education**  
Subject: **Secondary Summer eLearning Summary**

### **Background**

Each summer, St. Clair Catholic District School Board offers a variety of online eLearning courses for our secondary students. During July 2023, 15 summer eLearning courses were offered by SCCDSB staff. There were a total of 239 SCCDSB students enrolled in these courses, and an additional 194 students from out of board.

In addition, 4 Travel for Credit courses, including 3 English and 1 French, had a total of 62 students who participated. These students were all SCCDSB students from St. Patrick's and UCC. During the last week of July 2023, they travelled to Ottawa, Montréal and New York, as part of their course. Summer Co-op was offered both North and South, with 63 students participating. Summer Co-op is a 2-credit course for students. Lastly, Lambton College offered 2 Dual Credit courses. We had 6 students enrolled in Digital Photography, and 7 students who enrolled in Baking and Pastry.

We are pleased to report that 365 credits were received by SCCDSB students. Michael Giroux was the Secondary Summer Learning Principal and Payton Jacklin was the TELT. We wish to thank our OECTA partners for their commitment to our ongoing summer learning opportunities.

### **Recommendation**

**That the St. Clair Catholic District School Board receive the report: *Secondary Summer eLearning Summary*, for information.**
