Subject: **Secondary Summer eLearning Summary**

Background

Each summer, St. Clair Catholic District School Board offers a variety of online eLearning courses for our secondary students. During July 2024, 7 summer eLearning courses were offered by SCCDSB staff. There were a total of 266 students enrolled in these courses.

In addition, 3 Travel for Credit courses were offered. There were 1 English and 1 French Civics and Careers, with a total of 52 students who participated. These students were all SCCDSB students from St. Patrick's and UCC. During the last week of July 2024, they travelled to Ottawa, Montréal and New York. The third course was a Grade 12 English course, with 19 students, who travelled to England during the last week of July 2024. These were also all SCCDSB students. Summer Co-op was offered both North and South, with 60 students participating. Summer Co-op is a 2-credit course for students.

Michael Giroux, Ryan Hare, and Tamara Johnson each acted as Secondary Summer Learning Principals over the four weeks and Payton Jacklin was the TELT. We wish to thank our OECTA partners for their commitment to our ongoing summer learning opportunities.

Recommendation

That the St. Clair Catholic District School Board receive the report: *Secondary Summer eLearning Summary*, for information.
