Prepared by: **Scott Johnson, Director of Education**

Date: **February 15, 2022**

### Background

On January 18, 2022, the Policy Review Committee met to consider changes to two policies under Sec. D – Staff and Volunteers, as listed on the Board website policy landing page.

The policies and procedures currently under review are:

- Sec. D Policy – Catholic School Community Councils
- Sec. D Procedures – Catholic School Community Councils
- Sec. D Policy – St. Clair Catholic District School Board Advisory Council

The changes under consideration are part of the regular cycle of policy review required to keep our policies current. They are intended to:

- i. Clarify or simplify language;
- ii. Update procedures to reflect current practices;
- iii. Reflect changes or amendments in Ontario Regulation or Legislation;
- iv. Include the vision, mission, priorities and values of the new strategic plan.

These policies and all changes were reviewed by the Policy Review Committee at its January 18, 2022 meeting and are now recommended by the Committee for Approval by the Board.
