Principal Appointment

Prepared by: **Scott Johnson, Director of Education**

Date: **February 15, 2022**

Background

Lisa Harnarine has been appointed Principal at Ursuline College Chatham, effective February 3, 2022. Lisa was previously a Vice Principal at UCC, a position she has held since 2020.

Lisa's gifts and abilities have been evident, both in her role as Vice Principal, and in her previous work as Guidance Department Head. I know our entire staff joins with me in congratulating Lisa on her appointment and wishing her much continued success, as she assumes her new duties and responsibilities.

Ray Power is not retiring, because he is not yet ready to leave UCC. Ray will transition into the role of Vice Principal and continue to use his gifts to serve the students and staff of Ursuline College.

Recommendation
