Modified School Year Calendar 2022-2023

Prepared by: **Lisa Demers, Superintendent of Education**

Date: **January 18, 2022**

Background

School boards are required to prepare and submit to the Ministry of Education, the school year calendar to be followed for the subsequent school year. Regular and modified school year calendars are to be submitted to the ministry for approval on or before March 1, 2022.

The school year calendar must be completed in accordance with the *Education Act* and *Regulation 304, School Year Calendar, Professional Activity Days*. The regular school year is the period between September 1 and June 30.

As per *Regulation 304*, school boards are required to designate three mandatory PA days per school year. The board is given authority to designate up to an additional four PA days per school year. The requirement for every school year to include a minimum of 194 school days also remains unchanged. As a result, the minimum number of instructional days per school year is 187 and the total maximum number of possible PA days per school year is seven.

A consultation process was undertaken involving LKDSB, CSC Providence, the leadership of our Unions (CPCO, OECTA Elementary, OECTA Secondary, APSSP, CUPE) and our Board Advisory Parent Council.
