A message from UCC Staff: "Community sustains Faith"

~St. Angela Merici

By being back to face to face learning we are building a feeling of community again. By building community, our faith is easily shared. This is a goal each of contribute to by being part of our wonderful Lancer family.

This year is about supporting each other, raising each other up, promoting healthy school relationships and community ties. Let's get back to who we were!

UCC in March/April

April Fools on ME!

There were some pranksters at UCC that participated in some April Fools Fun. The Main office was wrapped! Ms. Harnarine's office, as well as the Vice Principals offices, were wrapped by our UCC Student Council. We thought we had a good one on Administration but it turns out, the prank was really on me!

Dress Down Days

March 30th \$2 “buy in”. Proceeds from this day were sent to the relief fund for the people of the Ukraine through the Development and Peace Program.

Torn Every Which Way

UCC’s first production since the lockdowns, put on by our drama department and was written by one of our grade 11 students. Torn Every Which Way premiered April 12th at the Chatham Capital Theatre and was a great success! It is wonderful to have the Arts back in full swing.

Dodgeball for Ukraine Youth

14 teams (7 junior and 7 senior)

Approximately 10 period 4 classrooms.

We will come together, for the first time since Covid 19 for 1 amazing cause, Voices of Children Foundation. We are hoping to raise a combined \$1200 for the youth of the Ukraine, through this foundation, from our team entry fees and students buying out of period 4 class, to attend.

Easter

Door decorating - Each class was to decorate their 4th period class doors in celebration of the Easter season. We had many classes participate which was wonderful for see while walking the halls. The top 10 doors would win the opportunity to buy out

for the dodgeball tournament. We used this to limit the number of students in the gym so we can participate with a safe capacity.

Lancer Link

Lancer Link Leaders got together Thursday April 7th for a Nerf Zombie Showdown! We enjoyed tacos and ice cream sundaes along with a zombie NERF war. Thank you to the staff that did this for us. It was an amazing time and a wonderful way to build relationships again.

UCC Prom 2022

Planning has begun and UCC seniors are getting excited for the 2022 UCC Prom. It is to take place at Club Lentina's on Friday June 10th 2022.
