STUDENT TRUSTEE REPORT

A message from UCC Staff: "Community sustains Faith"

~St. Angela Merici

By being back to face to face learning we are building community. By building community our faith is shared. This is a goal all of us can contribute to by being part of the Lancer family.

This year is about supporting each other, raising each other up, promoting healthy school relationships and community ties. Let's get back to who we were!

In this issue:

Finishing Out October	Pg:1	November/December	Pg:3
Lancer Proud	Pg:2	New Year – 2022	Pg:3
Winter Extra Curriculars	Pg:2		

Finishing Out October

Special shout out to our amazing teachers and staff here at UCC! Going above and beyond always. For Halloween they orchestrated an amazing festive haunted house for us throughout the entire school. During difficulty times these things really mean a great deal and it really brought a sense of community to our school.

UCC Cares Club held a canned Food Drive. Our school was unable to do our traditional UCC Scares Hunger Food Drive (where we go door to door collecting items at Halloween). So the school came together along with UCC Cares Club and still brought in many items for a local food drive. Grade 12's WON!

Lancer Proud

It's been so great to have our Lancer Athletes back in action... many championships have been won! Over 150 Lancers have returned to competitive action.

Football and soccer participated in internal leagues.

Cross Country - Junior boys won LKSSA

Tennis – Mary Bondy and Gillian Wells won LKSSAA girls doubles championship.

Golf – Boys won LKSSAA championship and are 7yr reigning champs.

Volleyball – Boys junior and senior both finished first in league play and the senior's took the LKSSAA finals.

Basketball – Senior girls took first place in league play and decimated St. Pat's in the LKSSAA final.

Winter Extra-curriculars

**UCC Cares Club
Student Council
Reach for the Top - Wellness Council
Esports
Hockey
Girls Volleyball
Boys Basketball
Curling**

November/ December at a Glance

UCC Can Drive was November 28. Our school teamed up with our local community, The Knights of Columbus, to make this a success.

November – Shout out to Mr. Whyte and his Kahoot in bringing awareness to the school community with respect to this important cause, testicular cancer. Thank you to all the staff who participated in the mustache challenge.

ROCK Missions – During the weeks of November 26th and December 3rd ROCK Missions visited our school to bring awareness about an ever-growing issue...homelessness in our communities. What it is, what we can do to help, and specifically how we can help as a school community. SOOOO...Mr. Santos and Miss Dudics classes took on a project and came together to collect clothes and hygiene products for ROCK Missions.

Christmas!!!! Tis the Season

Student Council sold Christmas spirit wear to raise money for local charities.

Elf on a Shelf – December 1st to the 17th and name our school elf poll.

Christmas music was played in the morning from the 13th to the 17th.

School staff participated in guess that HO HO HO!

Monday: Christmas tree door decorating.

Tuesday: Christmas Kahoot

Wednesday: Christmas Bingo

Thursday: Snowman Scavenger Hunt

Friday morning: Christmas Movie Trivia & Christmas Virtual Assembly

Thank you to our amazing Student Council for making the holiday season so festive and bringing together our school community in fun activities to bring about Christmas spirit.

UCC Cares Club – prepared and served a special take-out Christmas dinner on December 9th.

NEW YEAR – 2022

Good to be back and time to buckle down. Exams start January 27th.

Under New Leadership! Mr. Powers hung up his captain's hat.
