Timetable & lockers will be distributed this day too! The purpose of our orientation is to transition students from elementary to high school in a positive way. Grade 11 & 12 students will serve as leaders & mentors to our grade nines. Enjoyable large & small group activities will address students' needs and concerns. Wear comfortable clothes and travel light! Be ready to participate in the full 4 hour program.

Link Crew is a yearlong transition program that makes a positive difference in students' lives; it is a school community building program. In simplest terms it is a program where we "link" our incoming grade nines with successful senior students, creating a sense of comfort and connectedness that spans the school age perimeter.

### CATHOLIC ELEMENTARY SCHOOLS

The elementary schools of the St. Clair Catholic District School Board exist to provide excellence in Catholic elementary education for the children of Catholic separate school supporters. The St. Clair Catholic District School Board will admit to its schools Catholic children, or children of at least one parent who is baptized Roman Catholic, who resides within the jurisdiction of the Board and directs school support to the Board. The St. Clair Catholic District School Board offers French Immersion in Sarnia at Gregory A. Hogan Catholic School. For more information, contact the school at the number listed below.

All elementary students begin class on Tuesday, September 3, 2019. If you have not already registered, or have moved during the summer, or are changing schools, you may register your child at the elementary school that is located in your school boundary. Please phone the school from August 27-30 to make an appointment. If you are uncertain which school your child should attend, for student registration requirements, or for additional information, go to [www.st-clair.net](http://www.st-clair.net) Click on the "Schools" tab and go to "How to Register."
