Policy Statement

The St. Clair Catholic District School Board is committed to fostering Christ-centred, safe, caring and inclusive learning environments, supported by clear standards of behaviour which are essential in developing an optimal learning environment.

Policy Goals

The purpose of the Board's Code of Conduct is to promote safe and caring schools founded on Catholic values and the Board's mission; and to provide a framework for individual schools to develop a school-based Code of Conduct, which fosters a positive school climate and supports student achievement and well-being.
