

## **Responsible Use of Technology**

**Date: 2013 04 23 / 2022 04 19**

### **Policy Statement**

The St. Clair Catholic District School Board recognizes the important role of information, communications and technology to student learning and to assist staff to carry out their assigned responsibilities effectively. The Board requires that all technology is used in ways that are consistent with the Board's mission, vision and strategic plan.

### **Policy Goals**

1. To ensure the use of technology is aligned to the Board's mission, vision, and strategic plan.
2. To ensure expectations are provided to all students and staff for appropriate use of technology.
3. To ensure direction and education is provided when inappropriate use of technology or web-based resources is discovered or identified.
