Policy Statement

The St. Clair Catholic District School Board is committed to supporting partnerships that involve meaningful dialogue among the home, school and parish, which is the foundational triad on which Catholic education is built.

The Catholic School Community Council is the voice of parents and guardians in this partnership, as together we live our mission of 'learning together today, transforming tomorrow.

Policy Goals

The purpose of the Catholic School Community Council is, through the active participation of parents, to improve pupil achievement and to enhance the accountability of the education system to parents.

This policy defines the role of parents in their capacity as members of an advisory body, whose views and opinions will support Catholic education and the mission and vision of the St. Clair Catholic District School Board and its schools.

This policy also defines the role of the Principal as the educational and organizational leader of the school; and as such, the final authority for matters in the purview of the Catholic School Community Council.
