## CLASS Launches Free Mobile App “MySBI”

Getting information about school bus cancellations and delays just got a little bit easier.

Chatham-Kent Lambton Administrative School Services (CLASS), which provides transportation services to students of the St. Clair Catholic and Lambton Kent district school boards has launched a new mobile app that will provide subscribers with real-time notifications whenever buses are delayed by 10 minutes or greater. The notifications will come in the form of alerts, which will also include service cancellations due to adverse weather conditions.

“We are pleased to offer this new service to help keep our students and families informed with the most up-to-date information in the unlikely event of delays or cancellations,” says Kent Orr, CLASS General Manager.

The app allows subscribers to quickly select the morning and afternoon buses for which they wish to receive updates from a simple drop down menu for either school board.

Bus delay and weather cancellation information will also continue to be posted on the CLASS website at [www.schoolbusinfo.com](http://www.schoolbusinfo.com)

For additional information about using the mobile app, please visit [www.mysbi.ca](http://www.mysbi.ca)
