

## Step Into Your Future: UCC Welcomes Grade 8 Families to Our Annual Open House

Ursuline College Chatham (UCC) is thrilled to welcome Grade 8 students and their families to our *must-attend* Annual Open House on **Thursday, January 29, 2026, at 7:00 p.m.** This is your moment to step inside Chatham-Kent's Catholic high school of choice and experience firsthand what makes UCC an extraordinary place to learn, grow, and thrive.

The evening begins in our theatre with a warm and inspiring welcome from Principal Lisa Harnarine, followed by energetic, guided tours led by our teachers and Lancer Link leaders. Explore cutting-edge classrooms and collaborative learning spaces, championship-level athletic facilities, exceptional arts areas, and innovative technology labs that prepare students for success in every pathway. Department presentations will spotlight the wide range of courses and opportunities designed to ignite passions, build confidence, and open doors to a bright future.

"Welcoming our future Lancers is one of the most exciting moments of the year," says Principal Lisa Harnarine. "This is your chance to feel the energy of our school, meet our incredible staff, and discover the supportive, faith-filled community that helps every student reach their full potential."

Director of Education Lisa Demers adds, "UCC is more than a school — it's a place where students discover who they are and who they are called to become. From academics to the arts, athletics to skilled trades, UCC offers endless opportunities. We invite families to come and experience it for themselves."

This exclusive event is open to Grade 8 students and their parents/guardians and is an essential step in choosing the right high school. With engaging presentations, interactive tours, and opportunities to connect with staff and student leaders, this is your chance to see what your future can look like.
