BOARD OF TRUSTEES APPROVES INTERIOR UPGRADES AT GREGORY A. HOGAN CATHOLIC SCHOOL, SARNIA

The Board of Trustees has tonight approved \$537,165 for extensive upgrades to the school interior at Gregory A. Hogan Catholic School in Sarnia.

Improvements will include a redesign of the main office, to permit access from the main foyer and improve sightlines to the front door of the school. In addition, the administration space will be made larger and will include an office for the vice principal as part of the main office configuration.

A new special education and resource room is also being added along with a new and larger staff room.

The upgrades are being funded through the Board's annual School Condition Improvement allocation. The work will be done by Dixin Construction Limited of Sarnia and is expected to be completed over the summer months.
