NEW MONSIGNOR UYEN PROJECT ON BALDOON ROAD ON TARGET FOR JULY 30, 2021 COMPLETION

Construction at the new Monsignor Uyen Catholic School on Baldoon Road is on schedule, with a completion date of July 30, 2021.

The project is 82 percent complete, with remaining construction at the site to include:

- Partial roof – north portion of school
- School signage on Baldoon Road
- Rear exterior asphalt replacement
- Supply and install 84 lockers
- Replace roof top units for the child care area
- Install access control at all exterior doors
- New PA system, security system and phone system

“We are very pleased with the pace of construction on this project,” says Deb Crawford, Director of Education. “We look forward to beginning to transition our staff into the building over the summer and will be ready to welcome students in September!”

Administration office furniture will be ordered and installed in late May. Learning Commons furniture will arrive in late June and classroom furniture will be moved from the current Monsignor Uyen to the Baldoon Road site at the end of June.

“This is an exciting time for our French Immersion students in Chatham, as we look forward to September,” says Mrs. Crawford.
