

CLASS Transportation Services Announces Bell Times for New St. Teresa of Calcutta Catholic School

Bell times have been announced for the new St. Teresa of Calcutta Catholic School, which is in the final stages of construction on Tweedsmuir Avenue, W., in Chatham.

When the school opens in September 2024, classes will begin with the morning bell at 9:15 a.m. Dismissal at the end of the day will be at 3:35 p.m.

Bus routing details, including service and stop times for students, will be finalized as part of CLASS Transportation's annual planning process. Bus information will be available online in the parent portal. Details are typically finalized and published about the second week of August.

As part of its usual communication strategy, CLASS Transportation pushes notifications through its website, APP and social media platforms, so parents/guardians can log into the portal for final service details. St. Clair Catholic will support this communication strategy, with information posted to Newsdesk on the Board website and social media platforms.

Construction of St. Teresa of Calcutta Catholic School will be completed this spring. In September 2024, it will be open to families in the area currently served by St. Ursula and Georges P. Vanier Catholic schools.

Parents/guardians wishing to register students for Kindergarten classes beginning in September 2024 should contact either St. Ursula or Georges P. Vanier Catholic schools.
