### **Management Report**

#### **Management's Responsibility for the Consolidated Financial Statements**

The accompanying consolidated financial statements of the St. Clair Catholic District School Board are the responsibility of the Board's management and have been prepared in compliance with the Financial Administration Act, supplemented by Ontario Ministry of Education memorandum 2004:B2 and Ontario Regulation 395/11 of the Financial Administration Act, as described in Note 1 to the consolidated financial statements.

A summary of the significant accounting policies is presented in Note 1 to the consolidated financial statements. The preparation of consolidated financial statements necessarily involves the use of estimates based on management's judgment, particularly when transactions affecting the current accounting period cannot be finalized with certainty until future periods.

Board management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded in compliance with legislative and regulatory requirements, and reliable financial information is available on a timely basis for preparation of the consolidated financial statements. These systems are monitored and evaluated by management.

The Audit Committee of the Board meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the Board's approval of the consolidated financial statements.

The consolidated financial statements have been audited by BDO Canada LLP, independent external auditors appointed by the Board. The accompanying Independent Auditor's Report outlines their responsibilities, the scope of their examination and their opinion on the Board's consolidated financial statements.

### **Independent Auditor's Report**

To the Board of Trustees of the St. Clair Catholic District School Board

#### Opinion

We have audited the consolidated financial statements of St. Clair Catholic District School Board and its controlled entities (the Board), which comprise the consolidated statement of financial position as at August 31, 2021, the consolidated statements of operations, changes in net debt and cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements of the Board as at and for the year ended August 31, 2021 are prepared, in all material respects, in accordance with the basis of accounting described in Note 1 to the consolidated financial statements.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Consolidated Financial Statements* section of our report. We are independent of the Board in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Emphasis of Matter - Financial Reporting Framework**

We draw attention to Note 1 to the consolidated financial statements which describes the basis of accounting used in the preparation of these consolidated financial statements and the significant differences between such basis of accounting and Canadian public sector accounting standards. Our opinion is not modified in respect of this matter.

# Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation of the consolidated financial statements in accordance with the basis of accounting described in Note 1 to the consolidated financial statements, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Board's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Board's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements,
  whether due to fraud or error, design and perform audit procedures responsive to those risks,
  and obtain audit evidence that is sufficient and appropriate to provide a basis for our
  opinion. The risk of not detecting a material misstatement resulting from fraud is higher than
  for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing
  an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Board to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 1. Significant accounting policies

The consolidated financial statements are prepared by management in accordance with the basis of accounting described below.

#### a) Basis of accounting

The consolidated financial statements have been prepared in accordance with the financial reporting provision of the Financial Administration Act supplemented by Ontario Ministry of Education memorandum 2004:B2 and the accounting requirements of Ontario Regulation 395/11 of the Financial Administration Act.

The Financial Administration Act requires that the consolidated financial statements be prepared in accordance with the accounting principles determined by the relevant Ministry of the Province of Ontario. A directive was provided by the Ontario Ministry of Education within memorandum 2004:B2 requiring school boards to adopt Canadian public sector accounting standards commencing with their year ended August 31, 2004 and that changes may be required to the application of these standards as a result of regulation.

In 2011, the government passed Ontario Regulation 395/11 of the Financial Administration Act. The Regulation requires that contributions received or receivable for the acquisition or development of depreciable tangible capital assets and contributions of depreciable tangible capital assets for use in providing services, be recorded as deferred capital contributions and be recognized as revenue in the statement of operations over the periods during which the asset is used to provide service at the same rate that amortization is recognized in respect of the related asset. The regulation further requires that if the net book value of the depreciable tangible capital asset is reduced for any reason other than depreciation, a proportionate reduction of the deferred capital contribution along with a proportionate increase in the revenue be recognized. For Ontario school boards, these contributions include government transfers, externally restricted contributions and, historically, property tax revenue.

The accounting policy requirements under Regulation 395/11 are significantly different from the requirements of Canadian public sector accounting standards which require that:

- government transfers, which do not contain a stipulation that creates a liability, be recognized as revenue by the recipient when approved by the transferor and the eligibility criteria have been met in accordance with public sector accounting standard PS3410;
- externally restricted contributions be recognized as revenue in the period in which the resources are used for the purpose or purposes specified in accordance with public sector accounting standard PS3100; and
- (iii) property taxation revenue be reported as revenue when received or receivable in accordance with public sector accounting standard PS3510.

As a result, revenue recognized in the statement of operations and certain related deferred revenues and deferred capital contributions would be recorded differently under Canadian Public Sector Accounting Standards.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 1. Significant accounting policies (continued)

#### b) Reporting entity

The consolidated financial statements reflect the assets, liabilities, revenues and expenses of the reporting entity. The reporting entity is comprised of all organizations accountable for the administration of their financial affairs and resources to the Board and which are controlled by the Board.

School generated funds, which include the assets, liabilities, revenues and expenses of various organizations that exist at the school level and which are controlled by the Board are reflected in the consolidated financial statements.

Chatham-Kent Lambton Administrative School Services is jointly controlled and the Board accounts for its interest in this entity using proportionate consolidation (refer to Note 12).

Consolidated entities include:

St. Clair District Catholic Education Foundation

School Generated Funds

Chatham-Kent Lambton Administrative School Services

Interdepartmental and inter-organizational transactions and balances between these organizations are eliminated.

#### c) Trust funds

Trust funds and their related operations administered by the Board are not included in the consolidated financial statements, as the Board does not control them.

#### d) Cash and cash equivalents

Cash and cash equivalents are comprised of cash on hand and short-term investments. Short-term investments are highly liquid, subject to insignificant risk of changes in value and have a short maturity term of less than 90 days.

#### e) Investments

Temporary investments consist of marketable securities which are liquid short-term investments with maturities of between three months and one year at the date of acquisition, and are carried on the consolidated statement of financial position at the lower of cost or market value.

Long-term investments consist of investments that have maturities of more than one year and income producing equities. Long-term investments are recorded at cost, and assessed regularly for permanent impairment.

#### f) Tangible capital assets

Tangible capital assets are recorded at historical cost less accumulated amortization. Historical cost includes amounts that are directly attributable to acquisition, construction, development or betterment of the asset, as well as interest related to financing during construction. When historical cost records were not available, other methods were used to estimate the costs and accumulated amortization.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 1. Significant accounting policies (continued)

#### f) Tangible capital assets (continued)

Tangible capital assets, except land, are amortized on a straight line basis over their estimated useful lives as follows:

Land improvements with finite lives 15 years 40 years Buildings Buildings – other 20 years Portable structures 20 years First time equipping 10 years **Furniture** 10 years Equipment 5 - 15 years 3 years Computer hardware Computer software 5 years 5 - 10 years Vehicles

Assets under construction and assets that relate to pre-acquisition and pre-construction costs are not amortized until the asset is available for productive use.

The useful life for computer hardware was revised from five years to three years based on new information related to the actual life of the assets. As such, additional amortization has occurred for these assets as needed to bring the net book value in line with this new policy. The impact of this change is estimates is \$578.

Land permanently removed from service and held for resale is recorded at the lower of cost and net realizable value. Cost includes amounts for improvements to prepare the land for sale or servicing. Buildings permanently removed from service cease to be amortized and are recorded at the lower of carrying value and estimated net realizable value. Tangible capital assets which meet the criteria for financial assets are reclassified as "assets held for sale" on the Consolidated Statement of Financial Position.

Works of art and cultural and historic assets are not recorded as assets in these consolidated financial statements.

#### g) Deferred revenue

Certain amounts are received pursuant to legislation, regulation or agreement and may only be used in the conduct of certain programs or in the delivery of specific services and transactions. These amounts are recognized as revenue in the fiscal year the related expenses are incurred or services performed.

#### h) Retirement and other employee future benefits

The Board provides defined retirement and other future benefits to specified employee groups. These benefits include pension, life insurance and health care benefits, dental benefits, retirement gratuity and workers' compensation.

As part of ratified labour collective agreements for unionized employees that bargain centrally and ratified central discussions with the Principals and Vice-Principals Associations, the following Employee Life and Health Trusts (ELHTs) were established in 2016-17: OECTA, and CUPE. The following ELHT was established in 2017-18: ONE-T for non-unionized employees including principals and vice principals. The ELHTs provide health, dental and life insurance benefits to teachers (excluding daily occasional teachers), education workers (excluding casual and temporary staff), other school board staff and retired individuals up to a school board's participation date into the ELHT. These benefits are being provided through a joint governance structure between the bargaining/employee groups, school board trustees associations and the Government of Ontario. Boards no longer administer health, life and dental plans for their employees and instead are required to fund the ELHTs on a monthly basis based on a negotiated amount per full-time equivalency (FTE). Funding for the ELHTs is based on the existing benefits funding embedded

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 1. Significant accounting policies (continued)

within the Grants for Student Needs (GSN), including additional ministry funding in the form of a Crown contribution and Stabilization Adjustment.

Depending on prior arrangements and employee groups, the Board continues to provide health, dental and life insurance benefits for retired individuals that were previously represented.

The Board has adopted the following policies with respect to accounting for these employee benefits:

(i) The cost of retirement gratuities and other employee future benefits are actuarially determined using management's best estimate of salary escalation, accumulated sick days at retirement, discount rates and other actuarial assumptions. The cost of retirement gratuities is actuarially determined using the employee's salary, banked sick days and years of service as at August 31, 2012 and management's best estimate of discount rates. Any actuarial gains and losses arising from changes to the discount rate are amortized over the expected average remaining service life of the employee group.

For self-insured retirement and other employee future benefits that vest or accumulate over the periods of service provided by employees, such as life insurance and health care benefits for retirees, the cost is actuarially determined using the projected benefits method prorated on service. Under this method, the benefit costs are recognized over the expected average service life of the employee group.

For those self-insured benefit obligations that arise from specific events that occur periodically, such as obligations for workers' compensation and long term disability, the cost is recognized immediately in the period the events occur. Any actuarial gains and losses that are related to these benefits are recognized immediately in the period they arise.

- (ii) The costs of multi-employer defined pension plan benefits, such as the Ontario Municipal Employees Retirement System pensions, are the employer's contributions due to the plan in the period.
- (iii) The costs of insured benefits are the employer's portion of insurance premiums owed for coverage of employees during the period.

#### i) Deferred capital contributions

Contributions received or receivable for the purpose of acquiring or developing a depreciable tangible capital asset for use in providing services, or any contributions in the form of depreciable tangible assets received or receivable for use in providing services, shall be recognized as deferred capital contributions as defined in Ontario Regulation 395/11 of the Financial Administration Act. These amounts are recognized as revenue at the same rate as the related tangible capital asset is amortized. The following items fall under this category:

- (i) Government transfers received or receivable for capital purpose.
- (ii) Other restricted contributions received or receivable for capital purpose.
- (iii) Property taxation revenues which were historically used to fund capital assets.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 1. Significant accounting policies (continued)

#### i) Government transfers

Government transfers, which include legislative grants, are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met and reasonable estimates of the amount can be made. If government transfers contain stipulations which give rise to a liability, they are deferred and recognized in revenue when the stipulations are met.

Government transfers for capital are deferred as required by Regulation 395/11, recorded as deferred capital contributions and recognized as revenue in the consolidated statement of operations at the same rate and over the same periods as the asset is amortized.

#### k) Property Tax Revenue

Under Canadian Public Sector Accounting Standards, The Province of Ontario records property taxes levied as property tax revenue. As a result, property tax revenue received by the Boards is recorded as part of the Legislative Grant.

#### I) Investment income

Investment income earned is reported as revenue in the period earned.

When required by the funding government or related Act, investment income earned on externally restricted funds is added to the respective deferred revenue balances.

#### m) Budget figures

Budget figures have been provided for comparison purposes and have been derived from the budget approved by the Trustees. The budget approved by the Trustees is developed in accordance with the provincially mandated funding model for school boards and is used to manage program spending within the guidelines of the funding model.

#### n) Use of estimates

The preparation of consolidated financial statements in conformity with the basis of accounting disclosed in Note 1a) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the year. Significant estimates include assumptions used by actuaries to determine employee future benefit costs (Note 7). Actual results could differ from these estimates.

#### 2. Accounts receivable

#### a) Accounts Receivable - Government of Ontario

Accounts receivable from the Government of Ontario consist of amounts receivable from the Ministry with respect to capital grants and amounts related to the Ministry cash management strategy.

The Province of Ontario has replaced variable capital funding with a one-time debt support grant in 2009-10. The Board received a one-time grant that recognizes capital debt as of August 31, 2010 that is supported by the existing capital programs. The Board receives this grant in cash over the remaining term of the existing capital debt instruments. The Board may also receive yearly capital grants to support capital programs which would be reflected in this account receivable.

The Board has an account receivable from the Province of Ontario of \$21,822 (2020 - \$18,424) as at August 31, 2021 with respect to capital grants.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### b) Accounts Receivable - Government of Ontario Delayed Grant

The Ministry of Education introduced a cash management strategy effective September 1, 2018. As part of the strategy, the Ministry will delay a portion of the grant payment to school boards where the adjusted accumulated surplus and deferred revenue balances are in excess of certain criteria set out by the Ministry.

The Board has an account receivable from the Province of Ontario of \$6,626 (2020 - \$4,937) as at August 31, 2021 with respect to Delayed Grant payments.

#### 3. Investments

Investments are comprised as follows:

		2021		2020
		Market		Market
	Cost	value	Cost	value
	\$	\$	\$	\$
Cash	76	76	61	61
Government bonds	131	153	131	164
Equities	1,418	1,752	1,441	1,631
	1,625	1,981	1,633	1,856

Included in investments is a \$1,000 (2020 - \$1,000) endowment from the Ursuline Religious of the Diocese of London in Ontario. Income earned on the endowment is to be used for scholarships, bursaries and discretionary spending. The deferral of the endowment is included with deferred revenue (Note 6).

#### 4. Assets Held for Sale

As of August 31, 2021, \$10 (2020 - \$nil) related to land was reclassified as assets held for sale. Carrying cost of the building held for sale was \$nil (2020 - \$nil). Subsequent to the year end, the asset held for sale was sold for \$1,000.

#### 5. Temporary borrowing

The Board has credit facilities available to a maximum of \$10,000 to address operating requirements. All loans are due on demand and carry an interest rate of prime less 1 percent. As at August 31, 2021, the amount drawn was \$nil (2020 - \$nil).

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 5. Temporary borrowing (continued)

The Board has demand interim bridge credit available to the maximum of \$44,583 (2020 - \$49,510) to bridge finance capital project expenditures. All loans are due on demand and are in the form of bankers' acceptance notes. Interest on the operating facilities carry an interest rate of prime lending rate minus 0.75 percent.

As at August 31, 2021, the amount drawn under the bankers' acceptance facility was \$3,876 (2020 - \$nil).

#### 6. Deferred revenue

Revenues received that are restricted for specific purposes by legislation, regulation or agreement are included in deferred revenue and reported on the consolidated statement of financial position.

Deferred revenue set-aside for specific purposes by legislation, regulation or agreement as at August 31, 2021 is comprised of:

	Balance			Transfers to	Balance
	August 31,	Contributions	Transferred	deferred capital	August 31,
	2020	received	to revenue	contributions	2021

#### Actuarial assumptions

The accrued benefit obligations for employee future benefit plans as at August 31, 2021 are based on actuarial assumptions of future events determined for accounting purposes as at August 31, 2021. The economic assumptions used in these valuations are the Board's best estimates of expected rates of:

	2021	2020
	%	%
Inflation	1.5	1.5
Interest	1.8	1.4
Health care cost escalation	7.0 to 4.5	7.0 to 4.0
Dental care cost escalation	4.5	4.5
Wage and salary escalation	2.0	2.0

#### 7. Retirement and other employee future benefits (continued)

Retirement benefits (continued)

#### i) Ontario Teacher's Pension Plan

Teachers and related employee groups are eligible to be members of Ontario Teacher's Pension Plan. Employer contributions for these employees are provided directly by the Province of Ontario. The pension costs and obligations related to this plan are a direct responsibility of the Province of Ontario. Accordingly, no costs or liabilities related to this plan are included in the Board's consolidated financial statements.

#### ii) Ontario Municipal Employees Retirement System

All non-teaching employees of the Board are eligible to be members of the Ontario Municipal Employees Retirement System (OMERS), a multi-employer pension plan. The plan provides defined pension benefits to employees based on their length of service and rates of pay. The Board contributions equal the employee contributions to the plan, and contribution rates are directed by OMERS. The Board does not have direct access to information regarding the deficit calculation of the fund nor its impact on the contribution rates, except as disclosed periodically by OMERS. As of December 31, 2020 the funded ratio for the OMERS plan was 97% (2019 – 97%. During the year ended August 31, 2021, the Board contributed \$1,719 (2020 - \$1,611) to the plan. As this is a multi-employer pension plan, these contributions are the Board's pension benefit expenses. No pension liability for this type of plan is included in the Board's consolidated financial statements.

#### iii) Retirement gratuities

The Board provides retirement gratuities to certain groups of employees hired prior to specified dates. The Board provides these benefits through an unfunded defined benefit plan. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. The amount of the gratuities payable to eligible employees at retirement is based on their salary, accumulated sick days, and years of service up to August 31, 2012.

#### iv) Retirement life insurance and health care benefits

The Board continues to provide life insurance, dental and health care benefits to certain employee groups after retirement until the members reach 65 years of age. The premiums are based on the Board experience and retirees' premiums are subsidized by the board. The benefit costs and liabilities related to the plan are provided through an unfunded defined benefit plan and are included in the Board's consolidated financial statements. Effective September 1, 2013, employees (excluding employees with personal services contracts) retiring on or after this date, will no longer qualify for board subsidized premiums or contributions.

Other employee future benefits

#### Workplace Safety and Insurance Board obligations

The Board is a Schedule 2 employer under the Workplace Safety and Insurance Act and, as such, assumes responsibility for the payment of all claims to its injured workers under the Act. The Board does not fund these obligations in advance of payments made under the Act. The benefit costs and liabilities related to this plan are included in the Board's consolidated financial statements. School boards are required to provide salary top-up to a maximum of 4.5 years for employees receiving payments from the Workplace Safety and Insurance Board, where collective agreements negotiated prior to 2012 included such provision.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 7. Retirement and other employee future benefits (continued)

Other employee future benefits (continued)

#### ii) Sick leave top-up benefits

Under short term sick leave and disability plan, a maximum of 11 unused sick leave days from the current year may be carried forward into the following year only, to be used to top-up salary for illnesses paid through the short-term leave and disability plan in that year. The benefit costs expensed in the financial statements are \$98 (2020 - \$50).

The accrued benefit obligation for the sick leave top-up is based on an actuarial valuation for accounting purposes as of August 31, 2021. This actuarial valuation is based on assumptions about future events and is based on the average daily salary and banked sick days of employees at August 31, 2021.

#### iii) Long-term disability life insurance and health care benefits

The Board provides life insurance, dental and health care benefits to employees on long-term disability leave to all permanent employees through the ELHT. The employee is responsible for the payment of long term disability insurance premiums and the costs of life insurance, dental and health care benefits is covered by the ELHT. The costs of salary compensation paid to employees on long-term disability leave are fully insured and are not included in this plan.

#### 8. Net long-term liabilities

Net long-term liabilities reported on the consolidated statement of financial position is comprised of the following:

20	21	2020
	\$	\$
Promissory note, 4.56%, maturing November 2031 2,07	<b>7</b> 5	2,226
Promissory note, 4.90%, maturing March 2033 1,43	33	1,521
Promissory note, 5.062%, maturing March 2034 1,02	<u> 29</u>	1,084
Promissory note, 5.232%, maturing April 2035	93	936
Promissory note, 4.833%, maturing March 2036 10,19	99	10,662
15,62	29	16,429

Principal payments relating to net long-term liabilities of \$15,629 outstanding as at August 31, 2021 are due as follows:

	Principal	Interest	Total
	\$	\$	\$
2021/22	838	747	1,585
2022/23	880	705	1,585
2023/24	923	662	1,585
2024/25	968	618	1,586
2025/26	1,015	570	1,585
Thereafter	11,005	2,687	13,692
Net long-term liabilities	15,629	5,989	21,618

On June 1, 2003, the Board received \$2,663 from the "55 School Board Trust" for its capital related debt eligible for provincial funding support pursuant to a 30-year agreement it entered with the trust. As a result of the agreement the liability in respect of the not permanently financed (NPF) debt is no longer reflected in the Board's financial position.

Notes to the consolidated financial statements

(In thousands of dollars)

#### 8. Net long-term liabilities (continued)

Interest on long-term debt amounted to \$770 (2020 - \$812).

#### 9. Deferred capital contributions

Deferred capital contributions include grants and contributions received that are used for the acquisition of tangible capital assets in accordance with regulation 395/11 that have been expended by year end. The contributions are amortized into revenue over the life of the asset acquired.

	2021	2020
	\$	\$
Balance, beginning of year	110,404	105,242
Additions to deferred capital contributions	12,339	10,874

The write-down of Tangible Capital Assets during the year was \$nil (2020 - \$nil).

Assets under construction having a value of \$nil (2020- \$16,014) have not been amortized. Amortization of these assets will commence when the asset is put into service. Within the year \$16,107 was transferred from Assets under Construction to Assets in Service upon the completion of construction of a Building with an estimated useful life of 40 years.

#### 11. Debt charges and capital loans interest

The expenditure for debt charges and capital loans interest includes principal and interest payments as follows:

	2021	2020
	\$	\$
Principal payments on long-term liabilities		
including contributions to sinking funds	800	762
Interest payments on long-term liabilities	785	823
	1,585	1,585

#### 12. Partnership in Chatham-Kent Lambton Administrative School Services (CLASS)

Transportation, community use of school services, supervision of child care services and energy and environmental services for the Board are provided by CLASS which was incorporated on February 22, 2006. On that day the Board formalized an agreement with the Lambton Kent District School Board to provide common administration of student transportation and other services deemed beneficial to the boards in their shared jurisdiction. This agreement was executed in an effort to increase efficiency and cost effectiveness for each of the boards. Under the agreement created at the time CLASS was established, decisions related to the financial and operating activities of CLASS are shared. Neither partner is in a position to exercise unilateral control.

This entity is proportionately consolidated in the Board's consolidated financial statements whereby the Board's pro-rata share of assets, liabilities, revenues and expenses of the consortium are included in the Board's consolidated financial statements. Inter-organizational transactions and balances have been eliminated.

#### 13. Ontario School Board Insurance Exchange (OSBIE)

The Board is a member of the Ontario School Board Insurance Exchange (OSBIE), a reciprocal insurance company licensed under the Insurance Act. OSBIE insures general public liability, property damage and certain other risks. Liability insurance is available to a maximum of \$2,000 per occurrence.

The ultimate premiums over a five year period are based on the reciprocal's and the Board's actual claims experience. Periodically, the Board may receive a refund or be asked to pay an additional premium based on its pro rata share of claims experience. The current five year term expires December 31, 2021.

#### 14. Contractual obligations and contingent liabilities

In the normal course of operations, the Board becomes involved in various claims and legal proceedings. While the final outcome with respect to claims and legal proceedings pending at August 31, 2021 cannot be predicted with certainty, it is the opinion of the Board that their resolution will not have a material adverse effect on the Board's financial position or results of operations.

The Board is committed to capital expenditures in the amount of \$3,481 (2020 - \$1,784).

#### 15. Expenses by Ministry of Education classification

The following is a summary of the expenses reported on the consolidated statement of operations by Ministry of Education classification:

	2021	2021	2020
	Budget	Actual	Actual
	\$	\$	\$
Operating expenses			
Salary and wages	78,378	80,699	74,133
Employee benefits	13,542	13,955	12,854
Staff development	704	261	439
Supplies and services	7,849	8,028	6,488
Interest charges on capital debt	786	770	812
Rental expense	206	520	225
Fees and other contract services	8,416	8,897	8,469
Other	1,522	1,372	727
School generated funds	2,790	558	1,194
Amortization, writedowns and disposal of tangible capital ass	6,000	8,001	6,065
	120,193	123,061	111,406

#### 16. Impact of COVID 19

On March 11, 2020 the World health Organization declared the outbreak of the Coronavirus (COVID-19), a global pandemic. The pandemic has had a significant impact on the global economy and the education system. On March 12, 2020 the Province of Ontario ordered the closure of all publicly funded schools. This closure was later extended to include the remainder of the 2019/2020 school year and education services were moved to a virtual learning platform.

The Ontario Ministry of Education provided one-time funding for COVD-19/school re-opening and some existing funding has been redirected towards the costs related to implementing safe re-opening measures. Schools physically re-opened in September 2020 with remote learning options offered. Classrooms and schools were opened and closed intermittently as directed by Public Health and the Province of Ontario.

Notes to the consolidated financial statements

August 31, 2021

(In thousands of dollars)

#### 16. Impact of COVID 19 (continued)

Although the disruption from the virus is expected to be temporary, given the dynamic nature of these circumstances, the duration and the related financial impact cannot be reasonably estimated.

#### 17. In-Kind Transfers from the Ministry of Government and Consumer Services

The Board has recorded entries, both revenues and expenses, associated with centrally procured inkind transfers of personal protective equipment (PPE) and critical supplies and equipment (CSE) received from the Ministry of Government and Consumer Services (MGCS). The amounts recorded were calculated based on the weighted average cost of the supplies as determined by MGCS and quantity information based on the board's records. The in-kind revenue recorded for these transfers is \$911 with expenses based on use of \$911 for a net impact of \$nil.
