Bullying Prevention Plan for Safe and Mentally Healthy Schools

Consider some of the following questions to help guide discussion and move you towards developing and selecting your school goals:

1. In what ways is Safe and Mentally Healthy Schools embedded into your school's curricular programs? Are programs evidence based and age appropriate? Do gaps exist in any grade?
2. Do staff know the resources and guidelines provided for Safe Schools and Mental Health by the Ministry of Education? What type of training will be done?
3. Do all stakeholders feel welcome and involved in your school activities? What gaps, if any, are evident?
4. Are there comprehensive initiatives/programs that focus on positive, strength based assets? Are students and parents involved in the planning, decision making for these initiatives?
5. Are faith based practices focusing on spiritual and emotional health promoted as part of safe and mentally health schools?
6. Do you have anonymous confidential reporting at your school? Consider how students and staff report on mental health and bullying in your school.

Based on the information gathered and questions answered above identify up to three goals your school plans to implement. Complete the template below for each goal the team has identified.
