*Have a great weekend, everyone!*

**ST. CLAIR CATHOLIC**  
DISTRICT SCHOOL BOARD  
*Lighting the Way ~ Rejoicing in Our Journey*

January 31, 2018

Dear Parents/Guardians of the Gregory A. Hogan and Sacred Heart  
Catholic School Communities,

I am writing today to share some fantastic news for our Board and for Catholic education in Sarnia. Earlier today, the Ontario government announced \$14,371,913 in funding to build a brand new Catholic elementary school in Sarnia. A further \$2,672,104 has also been announced for a child care facility at the new school with 88 child care spaces.

The money will be used to build a new French Immersion school, to accommodate the ever-growing population currently housed at Gregory A. Hogan. With the transition of French Immersion students to the new school, our Sacred Heart population will move to the facility at Gregory A. Hogan, which has recently been extensively upgraded and refurbished. As a result, both school communities will occupy state-of-the-art facilities that are the right size for their student populations.

Timing for construction is not yet finalized; however, a best case scenario would be that the school would be ready for occupancy by September 2020. The Board will now begin to pursue options for obtaining property in a location that best suits our French Immersion families.

This announcement comes on the heels of the good news announcement last June of two new Catholic elementary schools in Chatham. St. Clair Catholic is indeed blessed, as we continue to be successful in our applications for ministry funding to meet the goals set out in our Long Term Capital Plan.

We will keep you updated as the project moves forward. Thank you for your continued support as together we build a strong and vibrant Catholic education system, to serve the students and families of the St. Clair district.

Sincerely,

Deb Crawford  
Director of Education
