

Ineligible Activities

The Ministry of Education and Training (Policy/Program Memorandum No.124A – April 27, 1999) has developed a list of activities that may not be chosen as community involvement activities and that are therefore ineligible activities.

An ineligible activity is an activity that:

- is a requirement of a class or course in which the student is enrolled (e.g., co-operative education portion of a course, job shadowing, work experience);
- takes place during the time allotted for the instructional program on a school day. However, an activity that takes place during the student's lunch breaks or "spare" period is permissible;
- takes place in a logging or mining environment, if the student is under sixteen years of age;
- takes place in a factory, if the student is under fifteen years of age;
- takes place in a workplace other than a factory, if the student is under fourteen years of age and is not accompanied by an adult;
- would normally be performed for wages by a person in the workplace;
- involves the operation of a vehicle, power tools, or scaffolding;
- involves the administration of any type or form of medication or medical procedure to other persons;
- involves handling of substances classed as "designated substances" under the Occupational Health and Safety Act;
- requires the knowledge of a trades person whose trade is regulated by the provincial government;
- involves banking or the handling of securities, or the handling of jewelry, works of art, antiques, or other valuables;
- consists of duties performed in the home (i.e. daily chores) or personal recreational activities;
- involves a court-ordered program (e.g., community service program for young offenders, probationary program).

HOURS OF COMMUNITY SERVICE

THE CLOCK IS TICKING

DID YOU KNOW STUDENTS MUST COMPLETE 40 HOURS OF COMMUNITY SERVICE TO GRADUATE?

PARENT (and STUDENT) GUIDE

General Information & Purpose

As stated in the Ontario Secondary School, Grade 9 to 12: Program and Diploma Requirements, 1999 (OSS) every student who begins secondary school during or after the 1999-2000 school year must complete a minimum of 40 hours of community involvement activities as part of the requirements for an Ontario Secondary School Diploma (OSSD).

Walking together in Christ's light with parish and family, we are called to build a safe and inclusive learning community and to serve as partners in the formation of life-long learners by: living our faith; promoting educational achievement and innovation, and fostering stewardship, leadership, and social justice.

Guidelines

As of July 2011, a student can begin to fulfill this requirement in the summer prior to grade 9.

- The activities must not be part of a credit course.
- The activities must be unpaid.
- "Volunteer" is not necessarily "community service."
- Students cannot volunteer at a place of business by working for "free."
- Students must submit signed updated records of their completed activities before the end of grade 12 in order to graduate.

Getting Started

Here are some suggestions: Spend time with your teen going through the list of eligible and ineligible activities in this brochure—find out what your teen might be interested in. Creating a plan will help your teen achieve their hours before graduation.

- Visit www.st-clair.net/sph/volunteer and www.volunteersarnia.ca for opportunities in the Sarnia-Lambton area.
- Students/parents can print Community Involvement Activities Forms as needed from the school website or obtain a copy from Student Services. Students may submit multiple forms.
- Students must submit signed updated records of their activities, as they are completed, to St. Patrick's Student Services Office. Students are encouraged to make a photocopy of the form before submitting.

It is highly recommended that all students begin their 40 hours of community service as early as possible (beginning the summer prior to grade 9).
