Dear Parents and Guardians,

As you are aware, many safety procedures and other changes are being implemented in order to ensure the health, safety and well-being of students and staff. This means that past practices have been changed and I want to make you aware of the following so that all of our students have an excellent start to the school year. Please note the following:

1. Students will enter through specific entrances according to their classroom assignment (see School Houses breakdown below). Teachers will be contacting students to let them know where their first period class is and which entrance to use. Students are still to be dropped off in the student drop off zone on the North side of the school regardless of where their classroom is (unless, of course, they take the bus).
2. Students will need to bring a lunch and snacks to school along with a water bottle with their name on it. There will be no microwave access or cafeteria access - please keep that in mind while planning lunches. Students who leave at lunch will not be allowed back in the building.
3. Grade 9s *only* start school on Monday, September 14, 2020 - school is closed to all other students on Monday
4. All students will be at school Tuesday, September 15, 2020
5. Students are able to wear their spirit wear on Tuesday
6. Visitors are not allowed at the school. Parents are asked to make appointments and those appointments will be held virtually
7. Upon arrival, students will go directly to their class
8. Students will be required to wear non-medical or cloth masks indoors in school, including in hallways and during classes. Outdoor opportunities and snack times may be provided by the classroom teacher to offer a mask break
9. Students are encouraged and welcome to bring a chromebook or other device if they have one
10. Student timetables will be finalized and available in Edsby by tomorrow (Saturday)

Thank you in advance for your support and cooperation in ensuring that the staff and students of St. Patrick's Catholic High School are kept safe and well during the start up of the school year.
