Dear Fighting Irish Parents and Guardians,

Wishing all Families a very Happy and Healthy New Year!

This communication is to remind all families that in the month of January, our classroom instruction and student learning will be consolidated through performance tasks, and/or through final exams. Students will be provided reviews for their exams by Friday the 12th of January so that they may begin to prepare with plenty of time for support as needed. We have appreciated and continue to appreciate working alongside parents and families in encouraging and supporting our students to do their very best and that hard work and dedication to their learning will create positive achievement for them.

Our exam days for semester 1 are as follows:

- Friday January 26th: Period 1 Exam
- Monday January 29th: Period 2 Exam
- Tuesday January 30th: Period 3 Exam
- Wednesday January 31st: Period 4 Exam

A reminder to not book holidays during exams, as students will be required to complete the exam upon their return from holidays.

Additional Exam Information:

- Students are to be in dress code for exams.
- Buses run at regular times on exam days, and students are provided spaces in the library and cafeteria after each exam.
- If a student is ill or there is an emergency and cannot attend to write their exam, the student/family should reach out to the appropriate vice principal.

Please continue to visit our school website <http://www.st-clair.net/sph/home.aspx> for general updates as well as contact information.

Sincerely,

R. Cicchelli
