OSSD Requirements

To be eligible to participate in the 2023 Graduation Ceremony, Graduation Candidates must be on track to complete the provincial graduation requirements by the end of this school year. Below you will find the complete list of OSSD requirements, as well as an example of the provincial report card to refer to (page 3 of the report card) to track the completion of these requirements:

- [Example provincial report card](#)

Students are still able to track their completion of the graduation requirements via their myBlueprint.ca account; however, the table given in their provincial report card would have the most accurate record. Please see your Guidance Counsellor if you have any questions.
