

STUDENT SERVICES NEWSLETTER | SUMMER SEMESTER 2024

eLEARNING

Summer eLearning is for you, if...

You are ready to work

- 5 months of school is compressed into 4 weeks (July)
- expect ~5.5 hours/day of work

You have ample free time in July

- working/volunteering full-time hours in July, travelling, or devoting time to athletics may be challenging.

You are a disciplined student

- you will need to be able to work independently, keep yourself organized and get your work in on time.
- The short timeline means there is no room for submitting work late in the summer semester.
