Welcome back staff and students!

Welcome From UCC's Principal Mr. Power

Although we are in the middle of summer and school seems off in the distance, the office staff is still working hard to prepare for what promises to be a rich and exciting learning experience for your child. I am confident that the entire UCC staff is stronger than ever in their commitment to deliver a strong academic program rooted in faith. This year I will call on our entire school community to make our faith visible, as we "Lead Like Jesus". With the support of a dynamic administrative team working with me, Rick Baggio, and Ed Freeburn are the vice principal's who will assist you with your children while they attend UCC.

I look forward to continuing my work with the tremendous staff at UCC, serving the students, their families and the UCC community.

Please feel free to contact me or any of the administrative team as we move into the 2018-2019 year.

Looking forward to meeting you as the year unfolds at any of our evening parent sessions or at our School Advisory Council meetings.

It is with great pleasure that I welcome you to the 2018-2019 school year at Ursuline College Chatham.

Lancer Loud! Lancer Proud!
See you soon...Mr. Power

OPENING DAY REGISTRATION INFORMATION FOR ALL UCC STUDENTS

Tuesday, September 4th is the first day of school. We will run a regular schedule with registration taking place in your first period class. To ensure attendance is recorded, please follow the enclosed timetable. Period one lists will be posted in Guidance, the Cafeteria and main hallway for those who have lost their timetable. All students will receive a timetable in their pd. 1 class.

If you are planning to change your timetable, you must follow the timetable you have until you meet with your guidance counselor. To be clear, if you plan on changing your timetable you must still attend all classes on your timetable until they have been officially changed by your guidance counselor.

Ursuline College Chatham offers many extra-curricular activities. Catholic retreats, guest speakers, numerous clubs, extensive arts and sports programs, and many other events that we know have a significant positive impact on students' overall success, satisfaction and enjoyment within a secondary school environment. In fact, educational research links student involvement in extra-curricular activities to improved student achievement. Therefore, we encourage all students to participate in the many extra-curricular offerings. Although these facets of a secondary school are very important, they are not directly funded by the Ministry of Education. Consequently, we have had a longstanding practice of collecting an activity fee. While this fee is optional, it benefits students greatly because without it we would not be able to offer the breadth of activities that we now offer.

The following is a summary of key areas that the activity fee supports:

Chaplaincy – grade level Catholic retreats, mass & liturgical supplies, and celebrations;
Athletics – LKCSSA league fees, uniforms, referees, tournament fees, transportation;
Student council activities – assemblies, speakers, dances, grade level events;
School Clubs – supplies, registrations, fees;
Lancer Link program.

PLEASE BE SURE TO BRING YOUR TIMETABLE WITH YOU ON TUESDAY, SEPTEMBER 5th!!!!

During your first class on September 4th (period 1), the following items will be collected from you:

IMPORTANT - Make sure you get a receipt for all monies paid. Keep it for future reference if needed!
