

Christmas break and beyond!

It is hard to believe that the Christmas holidays are upon us and we are finishing the month of December with face-to-face learning. The global pandemic is always present however; the personal, spiritual, intellectual and physical growth of our student body remains our focus.

As we close out the calendar year, we have celebrated the preparation of Christmas as a Lancer family acknowledging the gratitude we have for each other and the blessings that we have received. A number of activities included our “Drive Thru” Pedagape Christmas Community Dinner where we served 170 guests from our community. It was a wonderful evening. We celebrated the season of Advent through our morning prayers and Student Council have held virtual activities including our annual Christmas Assembly. Tremendous efforts have been graciously given by so many – time, generosity, acts of charity and good will. The Christmas spirit is alive and well here at UCC.

As we head into January, the end of the semester is in sight. Quad 2 will end on February 4th. Friday February 5th will be a staff P.D. Day. Culminating activities have become the norm this year and at the end of January students and staff will be in the process of wrapping up courses of study.

UCC will also hold our annual Grade 8 Open House on Thursday, February 4th at 7 pm. Any grade 8 students and their parent or guardian is welcome to join us VIRTUALLY at 7 pm. Please watch for further information coming in the new year.

Enjoy a very Merry Christmas and joyful New Year. May God bless you.

Lancer Loud. Lancer Proud!
